

Volunteer Opportunities

Legacy Pregnancy Center receives no federal or state funding and is totally supported by the enthusiastic support of our community! All aspects of Legacy been marked by a volunteer’s loving touch—our landscaping, our events, our client support. We are excited that our volunteers make a difference for eternity. Even helping out by “just” weeding or cleaning the Center, their donated time frees up funds for client services and allows staff to spend their time working with clients and on program initiatives.

You either have volunteered or have expressed, in the past or recently, an interest in Legacy’s volunteer opportunities. Please contact us to talk further! And please take a moment to pray that God would place the perfect person in each of these opportunities to advance His Kingdom now in the Sheridan area.

Thankful for you!
